LOCATION & ASSIGNMENT OF CREWS

ELEVEN MILE – ID-SCF-015218

STATE: Idaho

ICP is located in Challis, ID; approximately 148 miles northwest of Idaho Falls, ID. Fires within the complex are located approximately 30 minutes west of Challis, ID.

Minimal activity on yesterday as expected. Weather today is similar to last Thursday, when the fire made a 50 acre run in Yankee Fork and spotted across the east side of that drainage. The fuels are much wetter, but more fire behavior is expected than the past couple days. Crews in Division K will continue to construct shaded fuel breaks and fall hazard trees.

Whalen's Type 2 Team will time out on Thursday. At that time, the incident is expected to transition to a Type 3 organization.

MORALE OF CREWS:

Good.

INJURIES:

TN-TNC-04 crewmember indicated he was feeling much better by end of shift on yesterday, 09/05. At that time, he requested to return to duty for the next day, 09/06. Crew Boss Lewis confirmed his request this morning and ensured he was fit for duty. Crew Boss plans to monitor the crewmember throughout the day to ensure no further injuries are sustained.

IARR DAILY CREW REPORT

Name of Module

VA-VAST-01 crewmember was taken to the hospital in Grangeville, ID after complaints of stomach pain. The crewmember was diagnosed with salmonella/food poisoning and treated with a 6-day supply of antibiotics. Comp/Claims liaison traveled to the hospital to meet the crewmember and they completed all necessary forms – CA-1 and CA-16. The crewmember was released from the hospital back to the John Day Spike Camp the same day. The crewmember plans to return to duty tomorrow, 09/07.

Note: According to information received from Tepee Springs Comp/Claims Unit, Local Dispatch offices which filled resource orders for VA-VAST-01 and TN-TNC-04 may be responsible for completing eSafety reports for injured/sick crewmembers. Those crewmembers are classified as AD hires. IARR (t) Hunter will seek additional guidance from ASC on 09/08.

MESSAGE:

IARR Smalls experienced a flat tire yesterday, 09/05 and will need to exchange his rental vehicle in the next day or so. The nearest locations available are Lewiston, ID (2 hrs) and Boise, ID (4 hrs).
